

MONTHLY FEEDBACK FROM CAREGROUP

I thank the Lord for making us an instrument to His work here on earth. Thank you Asia Vision for being our partner in the work for the kingdom of God.

This is what we are doing here in the Philippines, Baguio City: We have resumed our Bible study here in our community every Friday at 3:00 in the afternoon. Marlyn, my daughter in law, is helping me in preparing food for the group.

We also have care groups in other places. Every Wednesday at 10:00 in the morning and 2:00 in the afternoon.

We also do therapy here because two of our members here had strokes in high blood. One is elderly and the other is 53 years old.

Danny Datoc and Merna Domondon are my companions in sharing the word. Merna, who happens to be a therapist, is the one taking care of the women who had strokes without any fee. She's doing it for free to help them and show the love of God.

Every Thursday at 2:00 pm we have a Bible study with an elderly woman. Me and my friend, Erlinda Calanio, are giving comfort and encouragement to her.

Just two weeks ago, we formed a prayer group with the elderly women in our church. Our team leader is Mrs Claire Lopez, our Pastor's wife. 8 elderly women are committed in this group. I hope and pray that they will continue and be committed to prayer.

Thank you Asia Vision for your love and prayer, for supporting us in the work of our Lord Jesus Christ.

Please continue to pray for our health, for strength and to be bold in sharing the love of our Lord Jesus Christ.
