"Give thanks to the LORD, for he is good! His faithful love endures forever. Has the LORD redeemed you? Then speak out! Tell others he has redeemed you from your enemies." Psalm 107:1-2 NLT

Dear partners, We feel it is a year to give thanks to the Lord! Even though it has been a tough year for all of us, there is a wonderful truth and hope that kept us going. It was God's love and goodness that kept us on the narrow road. BUT we cannot only keep God's goodness and love to ourselves. If the Lord has redeemed you then it is important that we tell others of how God rescued us from Satan, sin and death. ALL GLORY TO THE LORD for His faithfulness to all of us! This newsletter will be in English as it contains "thank you" messages from the teams in Asia & South Africa. We also have messages online with reports.

Raylyn Sumayao (Philippines) and her team say *"My family and I would like to express our heartfelt gratitude to our Almighty God that by His wonderful grace we will be able to continue in the fulfilment of God's mission even though we are hindered by the COVID-19 virus. I would like to say thank you very much for your full support through prayers and financial blessings despite the global crises that we encountered caused by COVID-19 still, you sent my financial support to me as it is a big help to my family and my ministry as well. May God prosper you more for more than you can imagine."*

Julie Pedro (Philippines) and her team say: *"We Praise God for His continuous guidance and protection over us, especially during these typhoon seasons. We thank God for His provision in times of crisis. Thank God for giving us the wisdom and strength to go on with the work He commissioned us to do."*

Ludivico & Lorena Niturada (Philippines) and their teams say: *"The word of God says, "Every good gift came from above." Thank God for the opportunities to share the good things with all the people who need them. Thank God for the open doors to reach out to more souls in different ways. Thank God for the wisdom and the man and woman of peace He used so that we can be connected to these people. Thank God for all your prayers and financial support."*

Mercy Annoque (Philippines) and her team say: *"I am so thankful for another year of God's goodness & faithfulness in my life and to the different care groups He allowed me to take part. Also, the correction of my birth certificate was sent to the Philippine statistic office for final processing. Hope to obtain a new passport by January next year. I am so grateful to God for your partnership through*

the years. Looking forward to more fruitful years ahead as we work together."

Sunker & Primisha Moodley (South Africa) and their team say: *"The RCA Charisma Church council together with Sunker and Primisha would like to send a heartfelt "Thank you" to our Saviour the Lord Jesus Christ for placing people like EAR2HEAR & ASIA VISION to be part of a wonderful Ministry in Laudium where we are reaching out to the homeless and the underprivileged families as well as members of other faiths in our community. We highly appreciate all financial contributions and spiritual contributions such as fasting and praying. This plays a huge and utmost important role in this ministry. We pray that the Lord will continue His good work in all of us through His Word through the Power of His Holy Spirit. We also want to thank God for blessing us with strength, patience and endurance for the past years in the Ministry. We pray that He continues to bless us with these as well as the relationship we have with EAR2HEAR & ASIA VISION so that His work can be done fruitfully for the years to come."*

Sammy & Djoanna Ranguinan and their team say: *"A million thanks for your prayers and financial support. We cannot thank you all enough but our prayers are that God will return 100-fold blessings for your sacrifices for us and the work here in Cambodia."*

In South Africa, we see a great need for outreach to Asians. They are the least reached in the world! The Asia diaspora is also a very great phenomenon worldwide, especially in Africa. This gives us a unique opportunity to share the Good News of the Kingdom with those who, were in their countries, Christianity is marginalised and even persecuted. The South African leadership and staff would like to thank everyone for their loving concern, support, prayers and every financial contribution towards the Kingdom. With God's help, we have been able to economise and streamline the way we use our finances. Stewardship is important. Our audited books are available for perusal upon request. We also thank those of the readers who have gone out of their way to share the Good News with Asians in their communities. **Soli Deo Gloria – All Glory to God** is all we can say. Please keep praying for the mission and the missionaries – our survival depends on your partnership – walking hand-in-hand with you this year has been a privilege. May you have a blessed festive season and may your hearts rejoice with us – Jesus is coming soon! God bless & thank you for your support! See you in 2023. With love and gratitude, **Asia Vision Team**
