Prayer Requests:

Kindly pray with us for a market outlet for woven leather strips which could be used as materials for bags, jackets, and others.

Please continue to pray for physical healing for some of our bible study participants.

We pray also for our outreaches to thrive. One in Naguillan, a few hours away from Baguio City. The other is in Sagada, Mt. Province. Pray that our leaders there will overcome trials and persecutions.

Thank you very much,

Julie Pedro
